**DESCRIPTION**
*Dow Corning* Neutral Plus Silicone Sealant is a cost effective, multi-purpose, neutral cure silicone sealant offering long term durability in a range of general sealing, general glazing, weatherproofing and Professional Trade Applications.

**HANDLING PRECAUTIONS**
Information on *Dow Corning®* brand primers is available on request from Dow Corning.

**HOW TO USE**
**Substrate preparation**
All surfaces must be clean and dry degrease and wash off any contaminants that could impair adhesion. Suitable solvents include isopropyl alcohol, acetone or methyl ethyl ketone.

A primer may be needed for optimum adhesion to some substrates based on testing conducted by the end user.

Information on *Dow Corning®* brand primers is available on request from Dow Corning.
DISTRIBUTOR, OR BY CALLING DOW CORNING CUSTOMER SERVICE.

USABLE LIFE AND STORAGE
Product should be stored at or below 32°C (90°F) in original, unopened containers. The most up-to-date shelf life information can be found on the XIAMETER® website in the Product Detail page under Sales Specification.

As Dow Corning Neutral Plus Silicone Sealant cures by reaction with moisture in air, keep the container tightly sealed when not in use. A plug of used material may form in the tip of a tube or cartridge during storage. This is easily removed and does not affect the remaining contents.

LIMITATIONS
This product is neither tested nor represented as suitable for medical or pharmaceutical uses.

Dow Corning Neutral Plus Silicone Sealant is not recommended:
- Not for use on freshly painted surfaces (enamel or solvent containing types).
- Not for use on expansion joints where high movement is expected.
- Not recommended for use in below-ground joints or trafficable joints where abrasion and physical abuse are encountered.
- Not recommended for use on polycarbonate plastic sheeting, suitability for use on other types of plastic should be tested prior to application.
- Not recommended for use with marble and similar highly porous stone finishes where sealant may affect their appearance.
- Sealant may discolor copper and brass.
- Do not use in the manufacture of insulated glass (IG) units.
- Do not use in direct contact with food or drinking water. This sealant has not been tested to determine status under U.S. Food and Drug Administration regulations.
- Not recommended for use in closed or confined areas where sealant cure may be inhibited by lack of air.
- Do not apply at temperatures below 4°C or when substrate surface temperatures exceed 50°C.
- Should not be used as an interior penetration fire stop sealing system.
- Should not be applied to surfaces in direct contact with food or drinking water. This sealant has not been tested to determine status under U.S. Food and Drug Administration regulations.
- Not recommended for direct contact on the reflective coatings on mirrors.
- Polyester powder coat paint exhibits a highly variable wax content on the surface. Ensure thorough solvent cleaning.
- Sealant cures by contact with moisture vapor in the air. Not recommended for use in closed or confined areas where sealant cure may be inhibited by lack of air.
- Do not use in direct contact with food or drinking water.
- Neutral Plus Silicone Sealant has been designed for use in interior environments where moisture vapor in the air will cure the sealant.
- Do not use in direct contact with food or drinking water. This sealant has not been tested to determine status under U.S. Food and Drug Administration regulations.

LIMITED WARRANTY INFORMATION – PLEASE READ CAREFULLY
The information contained herein is offered in good faith and is believed to be accurate. However, because conditions and methods of use of our products are beyond our control, this information should not be used in substitution for customer’s tests to ensure that our products are safe, effective, and fully satisfactory for the intended end use. Suggestions of use shall not be taken as inducements to infringe any patent.

Dow Corning’s sole warranty is that our products will meet the sales specifications in effect at the time of shipment.

Your exclusive remedy for breach of such warranty is limited to refund of purchase price or replacement of any product shown to be other than as warranted.

DOW CORNING SPECIFICALLY DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY.

DOW CORNING DISCLAIMS LIABILITY FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES.
